Hey everyone,

Hope all your summers are going well. I'm updating the dorm website ahead of First Year dorm assignments and I wanted to include the new hall staff info. If you wouldn't mind replying to this email with a little bit of info about yourself as well as a picture you'd want on the site, that would be great. I attached the categories below so just reply with that as well as anything else you'd like. Thanks!

Hometown/State

Major(s)/Minor(s)/Program(s)

Hobbies/Interests

Favorite Part of Coyle (If you're new just try and predict this)

Thanks!

Dan

Here's the info and picture—let me know if there's anything else you need

Traveling, Visiting MLB Ballparks, Musical Theatre

Hi Daniel,

Here is the info, thank you for working on the website!

Denver, Colorado

Undergrad Biology major, Chemistry minor, Grad Student in the ESTEEM program

I played college football (left tackle) at Benedictine College. I also have some nerdy interests like video games, DnD, and I'm currently learning to play chess.

My favorite part of Coyle will be making new traditions on top of the old Fisher dorm traditions (my brother was a RA in Fisher).

Thanks,

Harrison

The Regatta is pretty special, but nothing beats roller skating in Stepan at the CRUNK, our disco themed SYR!
